

ACADEMY ART PICTURE LIGHT

The Vanilla Academy Art Picture light is the perfect product for highlighting wall art whether from the old masters or the most on trend modern art piece. The unique lens heads can be adjusted to highlight any size piece. It also features interchangeable beam profiles for a curated light treatment which is unique in this segment. The fixture features a 1 5/8" X 1 7/8" profile with a length that ranges from 2.5" - 60". Longer lengths available upon request.

Available with an array of finishes standard (9 finish options standard), Custom RAL and anodized plate finishes are also available. Multiple mounting options are also standard.

DIMENSIONS

Profile lengths come in 2" intervals, from 2.5" up to 60"
Larger sizes available upon request
