VANILLA GYPSUM TRIMLESS STEPLIGHTS

Vanilla Trimless Steplights

With minimalism at its core, the Vanilla Gypsum Trimless is an interior steplight collection that seamlessly meshes within its surroundings. Available in five unique shapes, the Vanilla Gypsum Trimless Steplight is a pre-formed GRG fixture that easily-installs into a building's frame for a flawless trimless look. Constructed from GRG, this fixture features an embedded light fixture and smooth reflective opening that provides clean and glare free light.
